*The CHILDREN OF DIVORCE® Education Program is **approved by Superior courts Nationwide** that have court mandated education requirements for divorcing parents. The CHILDREN OF DIVORCE® Education Program increases parents' awareness of their children's reactions to divorce, and provides guidelines for a positive parenting plan to reduce the impact of divorce on the family.*

The CHILDREN OF DIVORCE® Education Program was established in 1990 in the West Georgia area and has helped thousands of families during the divorce transition. It is led by qualified professionals with expertise in the area of family and children.

Topics Include

- ❖ What does a healthy post-divorce family look like?
- ❖ How families experience divorce.
- ❖ The grief process.
- ❖ Why is my child acting like this?
- ❖ Stress symptoms children experience during divorce.
- ❖ How parents can avoid using destructive games: keeping children out of parenting conflicts.
- ❖ The business of co-parenting.
- ❖ Developing a positive shared parenting plan.
- ❖ Dealing with tough situations.
